

## Fact Sheet

### WHO:

**The Players:** The first 64 golf crazies/enthusiasts/masochists/adventurers with the mettle to conquer the Divine 9 Road Trip.

**The Hosts:** The Divine 9, the Carson City/Carson Valley area's 9 golf courses: Genoa Lakes Golf Club: Lakes and Resort Courses, Dayton Valley, Carson Valley, Eagle Valley East, Eagle Valley West, Empire Ranch, Silver Oak and Sunridge.

### WHAT:

- Divine 9 Road Trip: Golf Tournament with 2 holes played at 9 different courses in 12 hours. (We hope!)
- Public Tournament
- Format: No pressure! Individual net play; Handicaps encouraged but not required; pick-up at triple bogey (we gotta finish before dark).
- 16 players on various shuttle buses (we'll keep you with your buddies) stopping at the 9 courses at different times throughout the day to play two signature holes at each. 4 foursomes play each hole then switch.
- Bags thrown onto carts at random at each stop – get to know your shuttle crew for this odyssey!
- Par 70 course, 6,500 yards, numerous par 3s and 5s, lots of water, barrancas, forced carries, tucked pins – nothing but fun!
- No time for range balls or warm ups, and practice swings, plum-bobbed putts and other courtesies like honors are highly discouraged.
- A tournament guide/group leader/walking boss will be on each shuttle and at the courses to help keep the action moving and scores accurate.
- Prizes: tee prizes, awards, gag specials for memorable shots, quotes, occurrences. Golf packages, golf merchandise awarded by organizers any way we want – but winners will probably do OK!
